

# MEMORIAL PRESBYTERIAN CHURCH

## WEDDING POLICY

*Marriage is a gift God has given to all humankind for the wellbeing of the entire human family. Marriage involves a unique commitment between two people, traditionally a man and a woman, to love and support each other for the rest of their lives.*

*The sacrificial love that unites the couple sustains them as faithful and responsible members of the church and the wider community."*

Book of Order W-4.9001

The Constitution of the Presbyterian Church (USA)

We are pleased that you desire to be married in the historic sanctuary of Memorial Presbyterian Church and provide this policy as a means of insuring that your wedding ceremony will be one that reflects the best of our Christian tradition. Please carefully read the policy, so that you may know from the beginning what is expected of you and what you can expect from our staff.

All aspects of your wedding service at Memorial Presbyterian Church will reflect the religious nature of Christian marriage. It is assumed that one or both of you is a baptized Christian and an active member of a church.

The pastor of Memorial Presbyterian or one of the ministers associated with our congregation will officiate at your service. The pastor responsible for the wedding will plan the service in consultation with the bride and groom, MPC organist and Wedding Coordinator. Pre-marriage conferences will be scheduled with the officiating minister.

## ***WEDDING ARRANGEMENTS***

Members of Memorial Presbyterian Church as well as nonmembers interested in being married at MPC are invited to contact the church office (904-829-6451) and make the following arrangements:

- ⇒ Speak with the Church Wedding Coordinator who will ascertain the availability of your desired date for your wedding.
- ⇒ The wedding application form should be completed and submitted to the Church Administrator who will forward it to a pastor. When you meet with a pastor, the following areas will be discussed: the meaning of Christian marriage, your Christian faith, church policies, and premarital conferences. Your wedding can only be scheduled after you have met with a pastor and he/she has agreed to the service. One-half of the total fee for the use of the church (deposit) must be paid within seven [7] days after your meeting with the pastor. Only at this point is your wedding date confirmed. The balance due for use of the church and fees for pastor, organist, wedding coordinator and church sexton is due no later than 30 days prior to the service. Please make checks for these fees payable to the people providing the service.
- ⇒ Beyond the guidance of a pastor, you will also have a Wedding Coordinator to help with all the details of your wedding at MPC. The Wedding Coordinator will act as liaison between

the bride and groom; the pastor and organist. The Wedding Coordinator will coordinate the wedding rehearsal and the wedding service. While the bride and groom may choose to contract with a "wedding planner" to handle various other details, the direction of the wedding rehearsal and wedding is entirely under the supervision of Memorial Presbyterian Church's Wedding Coordinator and Pastor. Please notify any planners of this requirement.

### ***REHEARSALS***

One hour is allotted for each rehearsal. Rehearsals are scheduled at 5:00 p.m. the Friday before your wedding (or Thursday if your wedding is scheduled for Friday). Rehearsals begin promptly at 5:00 p.m.; therefore, we would like for brides and grooms to emphasize to the other participants that everyone needs to be on time for the rehearsal. We suggest that all participants arrive at the church at 4:45 p.m. You should bring your Marriage License, Unity Candle and stand (if using one) and Programs to the rehearsal.

### **MUSIC GUIDELINES**

Memorial Presbyterian Church has a long tradition of quality organ music. The Wedding Coordinator will present the bride and groom with appropriate music available for the wedding service. Music suitable for the marriage service directs attention to God and expresses the faith of the church. Secular love songs, prerecorded music and music inappropriate for worship **will not** be permitted. *The officiating minister has final approval of all music performed before and during the service.*

Memorial's regular church organist or a designated substitute shall play for all weddings. Additional instrumentalists or soloists may be contracted by the bride and groom with approval from the officiating minister. Please note these musicians shall be under the direction of the organist of Memorial Presbyterian Church. Extra fees with the organist may be incurred to cover rehearsal times with instrumentalists or soloists.

### **WEDDING DECORATIONS**

The primary use of the Sanctuary is for congregational worship. The principal service is on Sunday morning. Liturgical decorations that may be in place at the time of your wedding will remain in place.

For safety reasons, **runners, candelabra and wagons are not allowed**. Any other wedding accessories, i.e. unity candle and stand etc., must be obtained by the bridal couple and cleared in advance with the Wedding Coordinator.

Flower arrangements are permitted only in the provided pots/stands. Arrangements must be tasteful and no larger than standard "alter" arrangements. Floral arrangements should be prepared by the florist before being brought to the church.

The baptismal font may not be obscured from full view of the congregation. The font may not be used for decorations with the exception of a Unity Candle.

The lectern and pulpit areas shall not be decorated or obscured from full view of the congregation. They may be used for the reading of the Bible and the proclamation of the Word of God.

Bows and such denoting reserved seating for special guests may be tied to the pews. No other decorations may be affixed to any of the church furnishings including doors.

## PHOTOGRAPHY

The environment of the wedding service is one of worship. For this reason, staged photography and videotaping in the Sanctuary are only permitted up to forty-five minutes before the service and immediately after the service. Other pre-service photos on the church grounds must conclude no later than thirty minutes prior to the service to allow the bride and groom and their party adequate time to prepare for the service. No additional lighting may be used during the service. In no way may a photographer and/or videographer disrupt the service.

Professional photographers and/or videographers are required to consult with the Wedding Coordinator and must sign the "Wedding Photography Rules Agreement."

**Flash photography is not permitted during the service.** Every effort should be made to let wedding guests know that picture taking and filming is limited to the professionals hired by the bride and groom.
